STUDENT HAND BOOK

— 2025-2026 —

يَا أَيُّهَا الَّذِينَ آمَنُوا

“

O assembly of jinn and humans! If you can penetrate beyond the realms of the heavens and the earth, then do so. But you cannot do that without Our authority.

Then which of your Lord's favours will you both deny?

Surah Ar- Rahman

”

WELCOME TO

Islamic International University Islamabad

The Student Hand Book 2025-2026 of the International Islamic University, Islamabad is in your hands. We hope it will bring out the unique and distinctive features that IIUI offers to students as an institution of higher learning and research.

Our aim is to provide you state of the art knowledge, develop your skills and to enhance your intrinsic motivation that will propose you to meet the current demands and challenges ahead, and enable you to effectively contribute towards progress and future development of our country in particular and the world in general.

With a holistic approach, ambitious faculty program and strategia, the International Islamic University has embarked upon a global fleet of development and research in Arabic, Basic Sciences, Engineering & Technology, Business Administration, Economics, Islamic Studies, Languages, Shariah & Law, and Social Sciences.

IIUI is recognized nationally and internationally for its teaching standards and research output. It is being consistently rated among the top universities of Pakistan. We have unique blend of subjects available in our eleven (11) faculties, forty (40) departments and 161 degree programs.

Now, more than anything else, what you require is motivation, vigour and integration of ideas. You share them with us. They are the real tools to work with. So, welcome to International Islamic University and I am sure you will have an exciting, successful highly rewarding experience here at IIUI.

SYED NAVEED EHTESHAM
Director (Academics & Examinations)

INTRODUCTION

IIUI AT A GLANCE

- The University was established in 1401 A.H (1980 A.D) and was awarded charter in 1985 through an Act of Parliament.
- The President of Islamic Republic of Pakistan is the Chancellor of the University.
- Professor Dr. Ahmad Salem M. Al-Ameri is the Pro-Chancellor of the University.
- 44 eminent scholars from 11 countries constitute the Board of Trustees.
- University has Eleven (11) teaching faculties, forty (40) departments and 161 degree programs.
- The enrollment of the University over 30,000 students including 1500 foreign students coming from around 30 countries of the world.
- Exclusive campus for female students with enrollment of over 19,000.
- Biggest University of the Potohar region.
- New campus spread over 704 acres of land in Sector H-10, Islamabad.
- University has a unique and magnificent architectural design, based on Islamic tradition, spacious air-conditioned lecture rooms, modern auditoriums, seminar rooms, and fully equipped labs with latest Hardware/Software facilities.
- Four Major Libraries: Central Library, IRI, Shariah Academy and Dawah Academy Libraries having combined collection of over 0.3 million books. In addition to journals and periodicals etc.
- The University has a fleet of around 70 buses to provide transportation facility to male and female students separately all over Islamabad, Rawalpindi and Taxila areas.
- Three Medical Centers and a pathology laboratory.
- Continued expansion in the fields of Islamic, Social, Natural, Management and Engineering Sciences.

MESSAGE

RECTOR IIUI

International Islamic University Islamabad has always played a key role in the promotion of education with a unique vision among 130 universities of the country. Muslim Ummah has a great power of youth, if we put them on the right track according to our religious principles and existing challenges, this power can transform the world. The top priority of IIUI has always been to prepare high quality professionals immersed in the teachings of Islam and developing balanced harmonious personalities, who may counter the contemporary challenges. IIUI keenly focuses on the development of environment according to the teachings of Islam and contemporary needs. This unique objective has always helped the institution to develop skilled, professional personalities who also have appropriate knowledge of Islamic values. I feel very proud to share that IIUI gives equal opportunities of education to the male as well as female students. A large number of students from more than thirty countries of the world are studying at IIUI which is a unique characteristic of a University in Pakistan.

PROF. DR. AHMED SAAD ALAHMED
PRESIDENT IIUI

International Islamic University Islamabad has consistently played a pivotal role in promoting education, guided by a unique vision among the country's 130 universities. The Muslim Ummah possesses immense youth potential; when guided along the right path in accordance with Islamic principles and contemporary challenges, this potential can help transform the world. The foremost priority of IIUI has always been to prepare high-quality professionals grounded in the teachings of Islam and equipped with balanced, harmonious personalities capable of addressing present-day challenges. The University places strong emphasis on fostering an academic and social environment that aligns Islamic values with contemporary needs. This distinctive approach has enabled IIUI to nurture skilled professionals who are also deeply informed by Islamic ethics. Furthermore, what makes IIUI extra special is that it has a separate campus for our female students and academics, giving them an autonomous space of their own to grow and shine.

I take great pride in sharing that IIUI offers equal educational opportunities to both male and female students. Moreover, students from more than forty-three countries are currently enrolled at IIUI, making it a truly unique institution in Pakistan.

MESSAGE

PROF. DR. ABDUL RAHEMAN
VICE-PRESIDENT (ACADEMICS)

The Student Hand Book 2025-2026 of the International Islamic University is in your hands. Over the past decades, the University has made tremendous progress towards the achievements of its goals. The University has established partnerships with other academic institutions both inside Pakistan & abroad. We hope you would find whole array of unique and distinctive features that IIUI offers to the students as an institution of higher learning and research. Our aim is not only to equip the students with the conventional and modern academic knowledge, but also from them in their personality development so that they meet the challenges lying ahead of them. We earnestly desire that our graduates to effectively contribute towards the real growth and advancement of our country, in particular and the world in general. International Islamic University, Islamabad is recognized nationally and internationally for its outstanding academic standards and research output. It has exclusive blend of courses offered through 09 faculties, 45 departments and 123 degree programs. So, welcome to join the community of Islamians, where you would have a flavor of an exciting, successful and rewarding experience. We not only provide quality education but also focus on the character building of our students. We produce graduates who feel "at home in the world" and lead the nations on the path of progress and development.

ENGR. PROF. DR. AHMED SHUJA SYED
VICE-PRESIDENT (RESEARCH & ENTERPRICES)

All the praises and thanks to almighty Allah, we have this university a center for seeking and transfer of knowledge to the coming generations. Education is the gateway to glory. In past the great cities such as Baghdad and Cordova were hub knowledge, learning and wisdom for the entire world. With this thought the foundation of International Islamic University was laid down and since then, several eminent scholars of the international fame, mostly from Muslim countries, served this university in different capacities. At present we have more than thirty thousand students in nine faculties, four academies and college of technology. We have got around forty full professors along with a team of competent, experienced and devoted people available to serve the university on all important positions. The prime objective of university is to improve higher studies and research. Being international the university provides a platform to researchers and scholars to reflect their innovations and ideas at international level. Keeping in view the futuristic requirements of nation, ummah and humanity we offer diversified research areas which include Usuluddin, Arabic, Shariah, Law, Social Sciences, Economics, Business, Basic Sciences, Applied Sciences, Engineering and Technology. We are organizing the conferences at national and international levels. We have a long list of international conferences being executed throughout the year. The number of national & international quality publications is rapidly increasing. We are in the process of signing MoUs with universities of world repute. The exchange of our researchers and scholars is a source of inspiration and quality. Our Alumni, which spreads all over the world, is a source of confidence to our young graduates.

I welcome you to this institution offering some modest platform in research to contribute at any level. You need to be passion and have a deep desire to demystify the mysteries of nature and society, establish new truth, and offer some applied solution to uncountable problems faced by humanity.

WEATHER

Weather of Islamabad is very pleasant; it is excellent during spring and autumn, relatively hot in summer and cold during winter.

Temperature range is 20°-35° degree centigrade during summer and 0° - 20° degree centigrade during winter.

OFFICIAL LANGUAGES

Urdu is the National language of Pakistan and English is used for official correspondence. Arabic and English are medium of instructions at IIU. Proficiency in Arabic is required for Faculties of Islamic Studies (Usuluddin) and Shariah & Law. For the rest of the faculties English is the medium of instruction. IIU runs a program for improvement in Arabic and English Proficiency for deficient students. IIU runs a program for students requiring language proficiency, both in Arabic and English.

CURRENCY

Rupee is Pakistan's Currency. One (01) US dollar is currently equivalent to 280 rupees in open market.

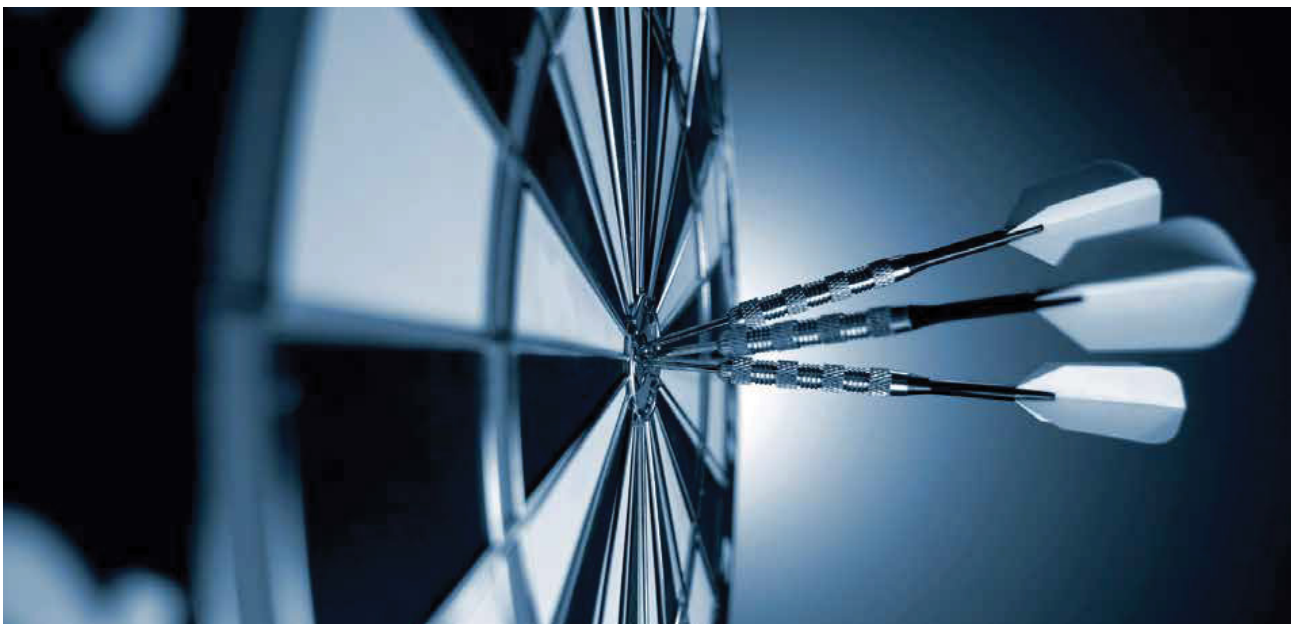

(This rate keeps fluctuating).

THE VISION

To provide every opportunity for an all round and harmonious development of individuals and society and reconstruction of human thought in all its forms on the foundations of Islam in order to encourage and promote education, training the research in Islamic learning, social, natural, applied and communication sciences and other branches of learning to ensure the Muslim Ummah's ideological, moral, intellectual, social, economic and technological development in accordance with the values, ideas, principles and norms of Islam.

THE MISSION

To optimize integration and Islamization of the contemporary knowledge and human thought in international perspective through established institutions and academic endeavors to achieve excellence in all branches of knowledge.

FUTURE PLAN

1. To establish new faculties, departments, Centres, units and cells and strengthen the existing faculties, institutes, academics and Centres in order to ensure diversification and deeper specialization in the relevant areas and to promote higher learning, research and training in various branches and specializations falling under the purview of the concerned faculties, institutes, academics or Centres.
2. To strengthen pre-doctoral, doctoral and post-doctoral research programs in the existing faculties and institutes.
3. To develop and consolidate the Women's Campus as a premier seat of higher learning for women.
4. To develop a faculty committed to the cause, vision and mission of the University on the one hand and responsive to the requirements, professional competence and an enhanced Islamic understanding on the other.
5. To develop a rich multi-lingual resource centre in the areas of interest to the University.
6. To develop Centres of expertise, research and consultancy in the fields of Islamic Law, Islamic Economics and Banking, Islamic Finance, Information Technology and Engineering and Technology.
7. To develop a nerve centre of higher Islamic education in Pakistan affiliation of leading institutions of Islamic education, establishment of regional campuses and Centres, and coordination with eminent personalities working in the fields of Islamic education, research, instruction and training.
8. To produce scholarly works and other reading material in the fields of interest to the University, especially Law, Jurisprudence, Islamic Thought, Economics, Banking, Political Science, International Relations, Engineering & Technology and Business Administration.

THE UNIVERSITY ACHIEVES IT'S GOALS

1. Providing advance studies, research, education and training in Islamic Disciplines, Humanities, Social, Physical, Natural, Management, and Engineering Sciences;
2. Promoting reinterpretation of modern thought and research in the various fields and seeking practical Islamic approach on contemporary issues facing the Ummah;
3. Devising ways and means to develop Islamic personality, building model Islamic behaviour and conduct, inculcating Islamic values;
4. Making arrangements for proper dissemination of results of research, through publication and other media of communication; and
5. Opening its doors to all without any discrimination of caste, creed, colour, race, religion or gender.

INTERNATIONAL ISLAMIC UNIVERSITY, ISLAMABAD

International Islamic University, Islamabad is an international seat of Islamic learning in Pakistan, which provides every opportunity for an all-round and harmonious development of individuals and society and reconstruction of human thought on Islamic foundation.

The foundation of the University was laid on the first day of the 15th Hijrah Century, Muharram 1, 1401 (November 11, 1980). This landmark of the beginning of the new century symbolizes the aspirations and hopes of the Muslim Ummah for an Islamic renaissance. The desire to produce scholars and practitioners, imbued with Islamic learning, character and personality, and capable to meet the economic, social, political, and intellectual needs of modern times is the aim of this University.

The University started as "Islamic University" with only 9 students in its LL.M degree Program and classes being held at the Campus of Quaid-i-Azam University, Islamabad. The University was upgraded, restructured and reconstituted as "International Islamic University" with the promulgation of the International Islamic University Ordinance by the President of the Islamic Republic of Pakistan in March, 1985.

Presently, the University has Forty (40) departments Eleven (11) different faculties and Six (6) autonomous academies, institutes of higher learning. The University is conducting around One Hundred Fifty Nine (159) academic programs with enrollment of over 30,000 students include around 15,000 female students. In addition around 1,500 students are enrolled at Iqra College of Technology (ICT), a constituent unit of the University.

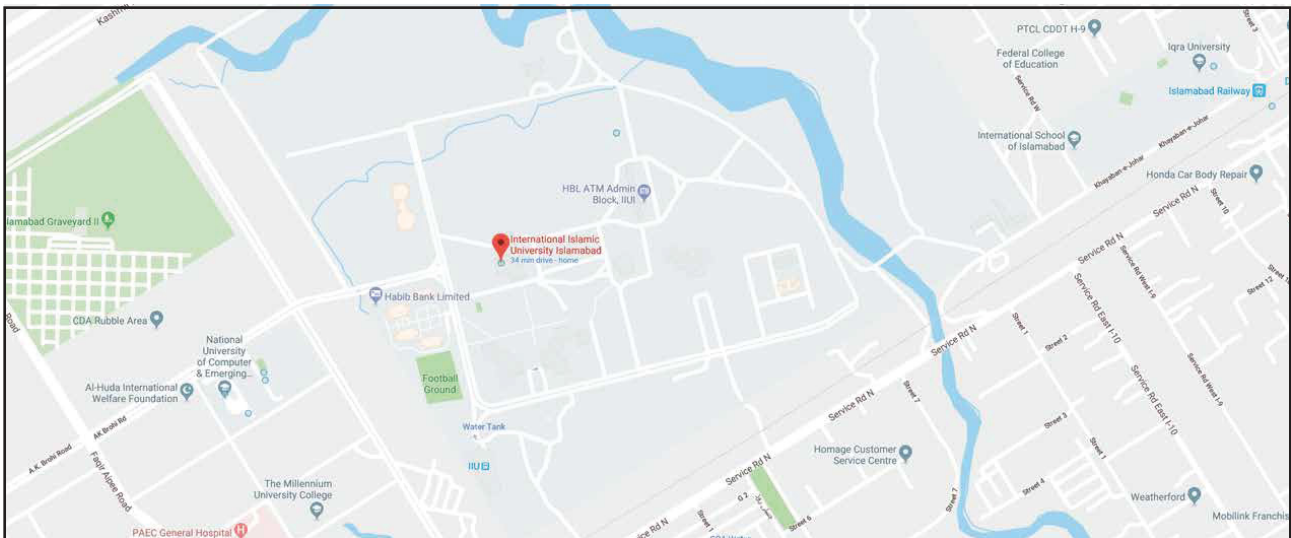

FEMALE CAMPUS

University is providing separate and equal educational facilities to the female students. Female Campus has air-conditioned class rooms, well-equipped laboratories and Computer Labs. It has two Academic Blocks, seven Hostels Blocks, Day Care Centre, a spacious Cafeteria, a Shopping store(s) and a Gymnasium.

LOCATION

New Campus of IIUI is located in the heart of Capital, Sector H-10 and is fast taking shape as a symbol of Islamic Architecture. Its 704 acre land provides ample scope for future expansion including housing for teachers, students and employees and sports facilities. All the teaching Faculties, a Central Library, and a large number of students' hostels are located here.

The Old Campus is located around the Faisal Mosque in Islamabad. Five Institutes and Academies (i.e. Islamic Research Institute, Iqbal International Institute of Research & Dialogue, Institute of Professional Development, Shariah Academy and Dawah Academy), Dr. Hamidullah Library, Two Auditorium and picture squee Guest House are located on this Campus.

MULTI CULTURAL ENVIRONMENT

The University embraces students from around 30 countries of the world. Its multilingual, multiracial and multicultural environment presents the true picture of the diversity of the Muslim Ummah. The University is indeed a symbol of global unity as it welcomes students from all over the world, no matter what culture, cast, creed and religion, they belong to.

ACADEMIC FACULTIES

FACULTY OF ARABIC

Arabic Language is the world certified language of Islam and since the birth of Islam in Arab region it got a sacred attention of scholars and linguistics from all over the world. There have been constant ongoing studies to address the problem: how to diffuse the Arabic Language in the world's cultures, humanities, particularly in Muslim communities, so that being an International Islamic University it was a due responsibility of it to work for Spreading Arabic Language especially in Pakistani Society and generally in Muslim minorities in the world.

Faculty of Arabic has a strong background in the field of Arabic Language for 35 years. It has distinguished faculty from Al-Azhar University Egypt, Sudan, Iraq, Algeria and Pakistan. We have designed internationally recognized extensive syllabus and modern Language Labs fully equipped with Audio Visual facilities. Being the language of Quran, Hadith and other Shariah sources, Arabic language has an extra ordinary status among the other languages in Muslim societies, alongwith its contemporary importance in the world.

Keeping view the modern needs of our society we have designed a syllabus which is a blend of classical and modern sources. It helps in adopting a moderate attitude among the students taking them away from the extremist philosophies. We are confident that through this training our graduates will be in the best position to serve the society positively.

FACULTY OF COMPUTING & INFORMATION TECHNOLOGY

The Faculty of Computing is an academic division of a university dedicated to the study of computer science and related fields. In today's digital age, computing is an integral part of almost every aspect of modern life, from communication and entertainment to finance and healthcare. The faculty offers a comprehensive range of undergraduate and graduate programs, ranging from computer science and information technology to software engineering and cybersecurity. Students who pursue these programs learn about various aspects of computing, including algorithms, programming languages, operating systems, databases, networking, and security etc. They also develop important skills such as problem-solving, critical thinking, and collaboration that are essential for success in the rapidly-evolving technology industry. With a strong emphasis on both theory and practice, the Faculty of Computing prepares graduates to become leaders in their fields and make meaningful contributions to society through the application of technology.

FACULTY OF EDUCATION

Faculty of Education provides an outstanding environment for excellence in teaching and research. It provides opportunity to students to achieve best of their knowledge and polish their skills by use of innovative methods and techniques. It welcomes students from different countries to participate in a learning experience which is a blend of theory and practice. It also encourages active engagement with peers and community through different activities, seminars, conferences and training workshops. It has very conducive environment.

Faculty is characterized by a lively, collegial and academic culture of research. Faculty of Education endeavors to cultivate socially responsible, active students built habit of lifelong learning and perform active role in society. Faculty of Education has legacy of department of Education which was established back in 2000. Faculty of Education has two departments:

Educating Minds,
Strengthening Values

FACULTY OF ENGINEERING & TECHNOLOGY

The Faculty of Engineering and Technology (FET) was established in year 2007 with Department of Electrical Engineering as its first constituent department. The Department of Electrical Engineering already existed in the university under the Faculty of Applied Sciences. The foundation stone of an independent building block, namely Engineering Block was laid in April 2007 which is inaugurated in July 2009. The present Electrical Engineering Department is one of the largest departments within the University with thriving undergraduate and postgraduate students. Mechanical Engineering Department and Civil Engineering Department were established in 2010 and 2014, respectively. The syllabus is continually under development and review, in line with the requirements of various professional bodies (such as Higher Education Commission and Pakistan Engineering Council) that accredit our programs, and the latest technological needs of industry. Faculty of Engineering Technology (FET) offers BS (Electrical, Mechanical and Civil), MS (Electrical, and Mechanical), and PhD (Electrical and Mechanical) Engineering. There is an exclusive department of Electrical Engineering for Female students as well.

Departments:

Department of Electrical Engineering

Mission: To provide an accessible, high quality, electrical engineering that equipped students with intellectual and technological tools for productive careers, service to humanity as per Islamic values.

Program Educational Objectives (PEOs):

PEO1: Apply knowledge, strong reasoning and quantitative skills to design and implement creative and sustainable solutions in the field of Electrical Engineering.

PEO2: Engage in life-long learning to meet evolving engineering challenges of modern day.

PEO3: Exhibit effective communication, critical thinking, interpersonal and management skills as leaders and contributors embodying professional and ethical behavior.

Program Learning Outcome (PLOs)

PLO1: Engineering Knowledge: Ability to apply knowledge of mathematics, science and engineering fundamentals and an engineering specialization to the solution of complex engineering problems.

PLO2: Problem Analysis: Ability to identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences and engineering sciences.

PLO3: Design/Development of Solutions: Ability to design solutions for complex engineering problems and design systems, components, or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and electrical considerations.

PLO4: Investigation: Ability to investigate complex engineering problems in a methodical way including literature survey, design and conduct of experiments, analysis and interpretation of experimental data, and synthesis of information to derive valid conclusions.

PLO5: Modern Tool Usage: Ability to create, select and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modeling, to complex engineering activities, with an understanding of the limitations.

PLO6: The Engineer and Society: Ability to apply reasoning informed by contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to professional engineering practice and solution to complex engineering problems.

PLO7: Environment and Sustainability: Ability to understand the impact of professional engineering solutions in societal and electrical contexts and demonstrate knowledge of and need for sustainable development.

PLO8: Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

PLO9: Individual and Team Work: Ability to work effectively, as an individual or in a team, on multifaceted and/or multidisciplinary settings.

PLO10: Communication: Ability to communicate effectively, orally as well as in writing on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documents, make effective presentations, and give and receive clear instructions.

PLO11: Project Management: Ability to demonstrate management skills and apply engineering principles to one's own work, as a member and/or leader in a team to manage projects in a multidisciplinary environment.

PLO12: Lifelong Learning: Ability to recognize importance of, and pursue lifelong learning in the broader context of innovation and technological developments.

Department of Mechanical Engineering

Mission: Mechanical Engineering Program is committed to prepare competent Mechanical Engineers equipped with knowledge, skills and ethical values to address technical challenges.

Program Educational Objectives (PEOs):

PEO1: Employable graduates pursuing successful professional careers.

PEO2: Graduates serving industry and society through R&D, professional development and entrepreneurship.

PEO3: Graduates with leadership qualities having Islamic values, interpersonal and managerial skills.

Department of Civil Engineering

Mission: Create learning environment for students through theoretical understanding and practical implementation, inculcating real world knowledge and equipping with advanced tools and professional skills, so that graduates can take on future challenges and serve humanity as per Islamic values.

Program Educational Objectives (PEOs)

PEO1: The graduates implement technical knowledge and skills to play effective role in the Civil Engineering Profession.

PEO2: The graduates demonstrate teamwork and interpersonal skills to contribute efficiently in multi-disciplinary projects.

PEO3: The graduates exhibit continual professional development to enhance their expertise in relevant field.

PEO4: The graduates undertake ethical professional practice and work for the benefit of the society.

INTERNATIONAL INSTITUTE

INSTITUTE OF ISLAMIC ECONOMICS

International Institute of Islamic Economics (IIIE) is a pioneering institution in the Muslim World dedicated for the cause of Islamic Economics. It was established in August 1983 with the primary objective to endeavor for an Islamic Economic Paradigm and to prepare scholars equipped with appropriately blended knowledge of Shariah injunctions and the mainstream economics with critical and creative thinking. The ultimate objective is the creation of Islamic Economics as a separate discipline based on the principles derived from the Qur'an and the Sunnah and providing guidance for the establishment of Islamic economic and financial system of the Muslim societies. The essence of these principles is to protect and flourish society by transforming the individuals with baser motives and selfish actions to the individuals with other-regarding and social preferences. The Institute enjoys the pioneering status of offering formal education in Islamic Economics and Islamic Banking & Finance besides modern Economics and the allied disciplines for Muslim youth all over the world.

The Institute is expanding vertically and horizontally and it has been offering the academic programs through the School of Economics, School of Islamic Banking and Finance, and Department of Economics and Finance at Bachelor, Master and Doctoral levels. The Institute carries out its academic programs for female students in the Women Campus of the University. There is a well established Research and Training Division, which is responsible for promoting research in the mainstream and Islamic Economics as well as for providing training facilities to the staff employed in Academic and Financial institutions, both public and private. IIIE has a team of highly qualified and well-experienced faculty members and very good infrastructure in terms of computing, library and classroom facilities. The faculty strives hard not only to provide the students all-around knowledge in economic and finance theories but also to motivate and guide them in all other academic (seminars, trainings, projects, etc.) and extracurricular activities (internships, community services, the student news papers, etc.).

The vision of the Institute is to regain world leadership in Islamic economics by acquiring excellence in research and training in Islamic economics and allied fields and to demonstrate practically the relevance and importance of Islamic economics to solve fundamental real-world problems facing humanity at large and Pakistan in particular. In addition to many credentials, the institute has been awarded Islamic Development Bank's prize in 2000 recognizing its services in Islamic Banking & Finance.

DEPARTMENTS:

1. School of Economics
2. School of Islamic Banking & Finance
3. Department of Economics & Finance

Dr. Arshad Ali

Ms. Andleeb Azhar, Lecturer
Ms. Nadia Mehtab, Lecturer

FACULTY OF LANGUAGES & LITERATURE

The faculty of languages & literature was established in 1996 and since then it has come a long way in achieving the goals that were set at its inception. The department was founded by Professor S.M.A. Rauf whose efforts bore fruit when the first programme of MA was offered to the students. In 2001, the department of English offered the degree program of BA (Hons) and with the passage of time, through the efforts of the faculty, MS and PhD programs started in 2004 and 2008 respectively.

Presently, faculty of languages & literature is made up of four departments in male and female campus.

DEPARTMENTS:

1. Department of English
2. Department of Urdu
3. Department of Persian
4. English Language Teaching Unit

**Prof. Dr.
Fauzia Janjua**
Dean

FACULTY OF MANAGEMENT SCIENCES

The Faculty of Management Sciences was established in 1995. The Department of Business Administration the first to be established launched its MBA program in January 1996. The Department of Technology Management was set up in 1998. The Faculty is now the largest faculty of the University with around 3700 registered students.

MISSION:

Our mission is to develop innovative and ethical business leaders and intellectuals enriched with Islamic ethics and values in different specializations. Our dedicated team of academics and practitioners is committed to combine state-of-the-art technology with conventional wisdom yielding synergistic benefits for the Islamic countries, in particular, and the world at large. We endeavor to provide a conducive and intellectual environment for creative, analytical and critical thinking to solve global societal problems through teaching and focused research.

DEPARTMENTS:

1. Department of Undergraduate & Graduate Studies
2. Department of Higher Studies & Research
3. Department of Technology Management
4. Department of Marketing
5. Department of Management
6. Department of Accounting & Finance
7. International Management Development Centre

Ms. Ayesha Javed, Lecturer

FACULTY OF SCIENCES

The Faculty of Applied Sciences was established in 2003 with the objective to meet the growing demand of qualified human resource in the fields of contemporary and modern sciences. The design and planning had been in process for many years and ultimately with expansion it transformed into Faculty of Basic and Applied Sciences (FBAS) to promote activities of research and development. The faculty has five departments, which offer undergraduate and graduate programmes in Computer Science, Software Engineering, Information Technology, Bioinformatics, Pure and Applied Mathematics, Biological Sciences, Biotechnology, Physics, Chemistry and Environmental Science. The faculty also has a Centre for Interdisciplinary Research in Basic (CIRBS) for MS and PhD students. At present, the FBAS is the largest faculty of the university with 140 faculty members including 99 with PhD qualifications earned from home and abroad. In the last three years, faculty and students have published over 1000 research articles in national and international journals recognized HEC. So far 137 research scholars have completed PhD and 2103 MS/MPhil degree. The faculty has also won 85 research grants from national and international sources.

MISSION:

Our mission is to optimize integration of Islamic principles with contemporary knowledge in global perspective through academic endeavors to achieve excellence in Basic and Applied Sciences through competence to gain a competitive edge nationally and internationally by providing state of the art knowledge and skills required and in vogue in the fast changing business world along with sound social and ethical values of Islam.

VISION:

A hub of human development through teaching, learning and research in contemporary sciences in global perspective with interdisciplinary approach to meet the challenges of ever-changing requirements of knowledge-based techno-digital economies for Pakistan and Muslim Ummah.

FACULTY OF SOCIAL SCIENCES

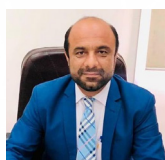

The Faculty of Social Sciences was established in 2000, initially with two departments namely Department of Education and Department of Political Science & International Relations (now renamed as Department of Politics & International Relations). It offered M.A. degree programs both in Education and Political Sciences & International Relations (now renamed as Politics & International Relations). Each program attracted a sizable number of male and female students from within and outside the country, including Muslim as well as non-Muslim countries of the world. In the year 2003, the Faculty passed a milestone when it launched Ph.D. programs in the disciplines of Education and Politics & International Relations. Each program has been greatly welcomed by the students and a big number of male as well as female candidates applied to seek admission in these programs. Presently, FSS is made up of 9 Departments in male campus and 9 departments in female campus.

DEPARTMENTS:

1. Department of Politics & International Relations
2. Department of Education
3. Department of Media and Communication Studies

FACULTY OF SHARIAH AND LAW

The Faculty of Shariah and Law was established in Quaid-e-Azam University Islamabad in 1979 but was subsequently incorporated into Islamic University Islamabad in 1980. A Student registering for PhD program is required to complete one-year course work before starting his thesis. So far more than 900 students have graduated from the faculty most of them are working in the judicial and litigation departments throughout Pakistan and abroad. The faculty has prominent place in the academic world as distinguished scholars from universities such as Al-Azhar and Cairo come here to teach. Moreover many graduates and teachers have got scholarships for studying in the best universities of the world. It is hoped that this site will serve as a guide to all those who wish to pursue studies in the peaceful and harmonious atmosphere of the beautiful city of Islamabad the capital of Pakistan.

MISSION:

To make Faculty of Shariah & Law a center of learning to provide legal education with emphasis on Islamic law and to develop greater interaction and understanding between Shariah and contemporary laws.

DEPARTMENTS:

1. Department of Shariah (Islamic Law)
2. Department of Law

INSTITUTES, ACADEMIES & CENTRES

University has five (5) institutes and academies as its constituent units with a significant academic and administrative autonomy.

ISLAMIC RESEARCH INSTITUTE (IRI)

The Islamic Research Institute was proposed in the Constitution of Islamic Republic of Pakistan 1956 under article 107 and was established in 1960 as a unique institute of Research and attached with the University in 1980 as its Constituent Unit. This institute is a research asset of Pakistan specializing in multi-dimensional research in all disciplines of Islamic studies. The main objectives of the institute are to develop a methodology for research in the various fields of Islamic learning; to identify and study contemporary problems and interpret the teachings of Islam in order to assist not only the Pakistani society but also the whole Muslim Ummah to live according to the imperatives of Islam. The results of the work done at the Institute are published in books, monographs, research reports and three Internationally recognized quarterly research journals i.e. Islamic Studies (English), Fikr-o-Nazar (Urdu) and Al-Dirasat al-Islamiyah (Arabic). The Institute also organizes seminars, conferences and workshops to achieve and promote its objectives. IRI through its Paigham-e-Pakistan Center for peace Reconciliation and Reconstruction Center is conducting country wide activities to contribute in the resurrection of Pakistani society as it was proposed by Allama Iqbal. Though these research-based activities IRI has engaged thousands of scholars, activist and Ulama to promote national narrative of Pakistan Paigham-e-Pakistan from all over Pakistan.

THE INSTITUTE MAINTAINS FOLLOWING CENTERS/ RESEARCH DEPARTMENTS/UNITS:

- | | |
|------------------------------|---|
| 1. Hadith & Sunnah | 5. Quranic Studies |
| 2. Fiqh & Law | 6. Paigham-e-Pakistan Center for peace |
| 3. Islamic Thought | 7. Reconciliation and Reconstruction Center |
| 4. Contemporary Muslim Ummah | 8. International Center of Excellence for Sirah Studies |

SENIOR FACULTY MEMBERS:

1. Dr. Tanveer Ahmed, Assistant Professor
2. Dr. Hafiz Aftab Ahmad, Assistant Professor
3. Dr. Hafiz Mubasher Hussain, Assistant Professor
4. Dr. Muhammad Ahmad Munir, Lecturer
5. Mr. Muhammad Islam, Lecturer
6. Mr. Muhammad Ajmal Farooq, Lecturer
7. Mr. Ihsan Ullah Chishti, Lecturer
8. Mr. Abdul Latif Sajid, Lecturer
9. Muhammad Kamran, Teaching Research Associate

**Prof. Dr.
Muhammad Akram**
Director General

INTERNATIONAL INSTITUTE OF ISLAMIC ECONOMICS (IIIE)

The Institute is a pioneering institution in the field of Islamic Economics and Islamic Banking in the Muslim world that provides a unique opportunity for education, training and research. It achieves its goals through:

1. School of Economics
2. School of Islamic Banking & Finance
3. Department of Economics & Finance

IIIE has also won the Faisal Award in Islamic Economics- (1420 Hijrah/2000 A.D.) Jeddah, Kingdom of Saudi Arabia.

Dr. Abdul Rashid
Director General

SHARI'AH ACADEMY

Prof. Dr. Muhammad Akram
Director General

The Academy is devoted to the training in Shar'iah law and its application in modern times for judges, attorneys, law officers, advocates and others associated with the judicial system in Pakistan. It provides specialization in different dimensions of research in Shariah. The Academy also has a wide range of publications.

SENIOR FACULTY MEMBERS:

1. Dr. Habib-ur-Rehman, Assistant Professor
2. Dr. Shams ul Haq, Assistant Professor
3. Mr. Miftah-ud-Din Khilji, Lecturer
4. Mr. M. Ashgar Shahzad, Lecturer
5. Mr. Sohail Khan, Lecturer
6. Mr. Abdul Hameed, Lecturer
7. Mr. Hafiz Ahmed Waqas, Lecturer

DA'WAH ACADEMY

Dr. Muhammad Ilyas
Director General

The Academy has elaborate program for the dissemination of the message of Islam and training of Da'wah workers drawn from all over the world. Besides Da'wah work itself, the Academy is also engaged in research on the subject and publications including literature for children and an FM Radio for disseminating its message. The Academy is also responsible for organizing congregational prayers and other religious and Dawah Activities at Faisal Mosque.

SENIOR FACULTY MEMBERS:

- | | |
|---|--|
| 1. Dr. Aziz-ur-Rehman, Assistant Professor / In-Charge, Regional Dawah Centre | 11. Mrs. Faryal Umbreen, Assistant Professor |
| 2. Dr. Muhammad Shahid, Assistant Professor / Chairman, Training | 12. Dr. Hafiz Ahmad Hammad, Lecturer |
| 3. Dr. Zaheer-ud-Din Bahram, Assistant Professor | 13. Mr. Zubair Tariq, Lecturer |
| 4. Dr. Shahzado Channa, Assistant Professor | 14. Mr. Ihsan Malik, Lecturer |
| 5. Dr. Zia-ur-Rehman, Assistant Professor / In-Charge, Faisal Masjid Islamic Centre | 15. Mr. Hafiz Zahid Mehmood, Lecturer |
| 6. Dr. Abdul Fareed Brohi, Assistant Professor | 16. Mr. Aamir Hassan, Lecturer |
| 7. Mr. Abdurrahmaan Saaleh, Assistant Professor | 17. Mr. Naveed Altaf, Lecturer |
| 8. Mr. Hafiz Abdul Hanan Hamid, Assistant Professor | 18. Obaid-ur-Rehman, Lecturer |
| 9. Mr. M. Ahmed Zubairi, Assistant Professor | 19. Mr. Hafiz M. Zaheer, Lecturer |
| 10. Mrs. Shagufta Omar, Assistant Professor / In-Charge, Dawah Centre for Women | 20. Mr. Hafiz Abdul Manan, Lecturer |

IQBAL INTERNATIONAL INSTITUTE FOR RESEARCH AND DIALOGUE (IRD)

Executive Director

Inspired by the Iqbal's message of Ijtihad or reinterpretation of Islamic teachings according to contemporary challenges, the Institute is devoted to research, dialogue and interaction between renowned scholars through Conferences, Seminars, Workshops, Distinguished Lectures, Research and publications.

SENIOR FACULTY MEMBERS:

1. Dr. Maryam Siddiqi Lodhi, Lecturer
2. Mr. Muhammad Younus, Lecturer

INSTITUTE OF PROFESSIONAL DEVELOPMENT (IPD)

Engr. Prof. Dr.
Nadeem Ahmed Sheikh
Director

The Institute of Professional Development at International Islamic University provides training and development services that improve performance and boost work place productivity by up-skilling employees, mentoring Senior Management, thus increasing institutional excellence and productivity. IPD provides quality, hands-on training programs that primarily comprise Education Leaders / Trainers and Teacher Training Courses.

IPD also offers Leadership & Management, Personality Exploration for Professional Success, Business Continuity Management, English Language Development, Etiquette and Mannerism, Project and Development Planning, Training of Trainers and Current Workplace issues training for corporate institutions and the industry.

As a Department committed to educators and education, the IPD aims to provide quality training, comprehensive programs and professional development that is in line with the needs of Global Education Forums. Islamic International University boasts a faculty that design and execution of educational leadership, training of trainers, teachers' training, Early Years Courses, Subject and Need-based Programs in Government, Private, Local and International settings.

IIUI SCHOOL SYSTEM

The University has launched its school system under the franchise scheme. Currently there are 58 approved schools of which 54 are now functional.

THE FUNCTIONAL SCHOOLS ARE OPERATING ON THE FOLLOWING LOCATIONS / CITIES:

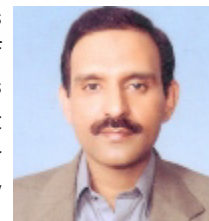

• Islamabad	• Rawalpindi	• Gujranwala	• Bahawalpur	• Haripur	• Nowshera
• Mansehra	• D. I. Khan	• Mardan	• Peshawar	• Talagang	• Attock
• Swabi	• Swat	• Wazirabad	• Lahore	• Faisalabad	• Abbottabad
• Bannu	• Bhalwal	• Charsadda	• D. G. Khan	• Chakwal	• Gujrat
• Lalamusa	• Larkana	• Hyderabad	• Sialkot	• Rahim Yar Khan	• Narowal
• Multan	• Shaker Garh	• Mandi Bahauddin	• Pattoki	• Okara	• Sargodha
• Kot Addud	• Wah Cantt	• Sahiwal	• Fateh Jang		

SENIOR FACULTY MEMBER:

1. Ms. Saneeha Khalid, Training Management Specialist
2. Mr. Kashif Sohail Malik, Consultant / Master Trainer

QUALITY ASSURANCE & DEVELOPMENT (QAD)

The Quality Assurance and Development has been established at IIU Islamabad, March 2010. It is entrusted with the task to promote education for effective management of standard of and quality of programs at all levels. It requires developing quality assurance processes and methods of evaluations that the quality of provision and standards of IIU education are well maintained and being improved. It includes curriculum development, subject and staff development together with research and other activities. Further, the academic activities of the IIU will be monitored by quality assurance agency (QAA), HEC through Quality Assurance and Development (QAD).

Dr. Rahmat Ellahi
Director, QAD

IIU takes the lead in approaching various accreditation bodies to come and inspect the respective degree programs for the purpose of improving the Quality of Education and accreditation.

THE ACCREDITED DEGREE PROGRAMS ARE:

Pakistan Engineering Council:

1. BS Electronic Engineering
2. BS Mechanical Engineering

NATIONAL COMPUTING EDUCATION ACCREDITATION COUNCIL:

1. BS Computer Science
2. BS Software Engineering

IIU has history of strict academic discipline, documentation of rules/regulations and applications of the same through appropriate instruments/statutory bodies. This is one reason that IIU has been recognized as a member of some well known International Quality Assurance Organizations given below:

1. International Network of Quality Assurance
2. Agencies (INQAAHE) for Higher Education
3. Asia Pacific Quality Network (approval in process)

FUNCTIONS OF QUALITY ASSURANCE AND DEVELOPMENT (QAD)

Quality Assurance and Development was established in IIU in Feb 2010 under the guidance of Higher Education Commission (HEC) Islamabad in its 3rd Phase for improving quality of education offered at IIU for competing other National and International Educational Institutes. Basic functions of QAD advised by HEC are as under: -

1. QAD is to be headed Director whose power will be reporting directly to President/Rector/Vice Chancellor. He is to be the correspondent with the outside bodies.
2. QAD is responsible for promoting public confidence that the quality and standards of the award of degrees are enhanced and safeguarded.
3. QAD is responsible for the review of quality standards and the quality of teaching and learning in each subject area.
4. QAD is responsible for the review of academic affiliations with other institutions in terms of effective management of standards and quality of programs.
5. QAD is responsible for defining clear and explicit standards as points of reference to the reviews to be carried out. It should also help the employees to know as to what they could expect from candidates.
6. QAD is responsible to develop qualifications framework by setting out the attributes and abilities that can be expected from the holder of a qualification, i.e. Bachelors, Bachelor with Honors, Master's, MS/M.Phil and Doctoral.
7. QAD is responsible to develop program specifications. These are standard set of information clarifying what knowledge, understanding, skills and other attributes a student will have developed on successfully completing a specific program.
8. QAD is responsible to develop quality assurance processes and methods of evaluation to affirm that the quality of provision and the standard of awards are being maintained and to foster curriculum, subject and staff development, together with research and other scholarly activities.
9. QAD is responsible to ensure that the university's quality assurance procedures are designed to fit in with the arrangements in place nationally for maintaining and improving the quality of Higher Education.

ACHIEVEMENT OF QAD

1. QAD at IIU have implemented Quality Assurance Process in than 25 academic programs of 5 faculties. Which are FET, FBAS, FMS, IIIE and FLL. Other Faculties will be soon brought under the umbrella of QAD.
2. Submitted 2010-11 Ranking data to HEC and IIU stand 5th as best Universities of Pakistan in its category of General-Large.
3. QAD has organized number of workshops so far in university for quality of education and research improvement.
4. Member of International Network of Quality – INQAAHE which stands for International Network for Quality Assurance Agencies in Higher Education based in Netherland.

EducatingMinds,
StrengtheningValues

CENTRE FOR ADVANCED ELECTRONICS & PHOTOVOLTAIC ENGINEERING (CAEPE)

The Centre for Advanced Electronics & Photovoltaic Engineering (CAEPE) at International Islamic University, Islamabad is a university-wide Centre aimed to create knowledge and develop the cross-disciplinary market-driven research focused on the applications of Advanced Electronics & Photovoltaic Engineering via processes, components and systems. The Centre is supported by various national and international grants specifically from Islamic Development Bank (IDB), Kingdom of Saudi Arabia, Higher Education Commission (HEC), Pakistan Science Foundation (PSF), US-DOE Berkeley Lab's Facility Access Program, etc. The Government of Pakistan has also recently awarded a huge funding in tune of PKRs. Multi-hundred million for the capacity building of the Centre under the university's Mega PC-1.

Prof. Dr. Ahmed Shuja Syed
Vice-President (HS&R),
Advisor to the Rector &
President
(Engineering Programs)
Executive Director
CAEPE, IIUI

FACILITIES:

The Centre is equipped with highly sophisticated design and experimental facilities divided into several laboratories.

PSYCHOLOGICAL SERVICES CLINIC (PSC)

Psychological Services Clinic has been established for Faculty members, Staff and Students of International Islamic University Islamabad. Clinic operates under the auspices of Department of Psychology of International Islamic University Islamabad. Organizational body of PSC consists of licensed Clinicians of Clinical and Testing Psychology of PhD and doctoral/MS Level. The primary purpose of Clinic is to provide a maximum Psychological support to the students and PhD Scholars of IIUI particularly for stress management during their research work and dissertation writing.

The Psychological Services Clinic provides a range of individual therapies. It is a community-based outpatient facility program that provides a variety of psychological services (assessment, consultation, and individual therapy) under the close supervision of the clinical faculty members called clinical supervisors and psychologists. PSC also provides the opportunity for Clinical students to gain experience in treating clients under a managed-care model.

COMMONLY ADDRESSED PROBLEMS

- | | |
|----------------------------------|--------------------------------|
| 1. Internet addiction disorder | 11. Family Discord |
| 2. Personality disorders | 12. Sexual problems |
| 3. Anxiety/Panic | 13. Identity problems |
| 4. Obsessive-compulsive disorder | 14. Sleep problems |
| 5. Assertiveness Social anxiety | 15. Learning problems |
| 6. Depression PTSD | 16. Stress Loneliness |
| 7. Drug/alcohol use | 17. Suicidal thoughts/feelings |
| 8. Self-esteem | 18. Life changes Work problems |
| 9. Eating problem | 19. Marital concerns |
| 10. Self-exploration | 20. Characterological problems |

PSYCHOLOGICAL ASSESSMENT

PSC also offers the Psychological assessments and Psychological testing's for the Psychological/ Neuropsychological disorders and the educational matters like Intelligence, Memory and Personality by using the scientific tests, self report inventories and other rating scales.

PSYCHOTHERAPY

After comprehensive assessment PSC provides services which include psychotherapy (Evidence based e.g. BPT) in general for those having psychiatric / psychological problems and CBT (Cognitive Behavioural Therapy) for selected patients, specifically having Depression, Anxiety, Obsessive Compulsive Disorder (OCD), Eating disorder, Adjustment and Emotional Problems for young people, Addiction and Post Traumatic Stress Disorder, Memory Disorder and Community Reinforcement Approach (CRA) for all clients having Alcohol and Addiction problems.

RESEARCH

PSC under the auspices of Department of Psychology actively participates in research and scientific activities, conducting research on vital issues, reviewing literature and published articles.

CLINICAL SUPERVISION

Supervision provides an opportunity for the student to capture the essence of the psychotherapeutic process as it is articulated and modeled by the supervisor, and to recreate it in the counseling relationship or Supervision is that part of the overall training of mental health professionals that deals with modifying their actual in-therapy behaviors.

Department of Psychology provides a comprehensive and evidence based clinical psychology program at BS and MS level. For this purpose the department has formed a core team to cater clinical supervision in line with the International best practices. Following are the key members of this team.

CLINICAL SUPERVISOR

Shamsheer Hayat Khan

MS (Clinical Psychology), BS (Hon.)
Psychology, B.ED, Dip (Child Psychology)

IQRA COLLEGE OF TECHNOLOGY (ICT)

Iqra College of Technology is a constituent unit of International Islamic University Islamabad. This Institution offers the Diploma of Associate Engineering (DAE) in various Technologies & Trades. The main purpose of the technical course is to produce the skilled manpower with the supervisory ability for industries and Government organizations. The pass outs from this institute work as the working force to meet the market needs. This skilled manpower will act as a bridge between workforce and engineers.

**Syed
Naveed Ehtisham**
Principal

PROGRAMS:

3-years Diploma of Associate Engineering in the following technologies:

1. Computer Information Technology
2. Electronics Technology
3. Electrical Technology
4. Mechanical Technology
5. Civil Technology
6. Refrigeration & Air Conditioning Technology
7. Auto & Diesel Technology

PROVOST

First of all I warmly welcome both fresh and continuing students of International Islamic University Islamabad. It has always been utmost desire of the Hostel Management to facilitate and help out the boarders while staying in the University Hostels.

Presently, there are eight male hostels and seven female hostels at the campus as per detail given below:-
New Campus Men Hostel No. 01 to 06 Situated at Sector H-10, New Campus, IIU, Islamabad
Old Campus Kuwait Hostels (for Men) Situated at Faisal Mosque, Old Campus, IIU, Islamabad

We have a mega structure of Female Hostels, consisting of seven female hostel blocks with the capacity of approx. twenty five hundred (2500) students. This is our utmost effort to facilitate students and give them a homely, educational and healthy environment.

Presently, a body of about 3400 boarders is residing in the men's hostels of the University. The hostels are fully equipped with all the facilities like mess, electricity, gas, water, internet, prayer halls, play grounds, first aid medical checkup facility and ambulance service etc. Due to less number of hostels, accommodation in hostels is limited. Students are provided hostel accommodation on available seats belonging to areas distance of 80 kilometers away from University Campus.

Once again, I warmly welcome all of you and wish you a happy and successful academic pilgrimage at IIUI. May the year be fruitful and enjoyable one for all of you.

Dr. Ibrar Ahmed Shanwari
Provost (Male)

Dr. Sajida Jameel
Provost (Female)

STUDENT'S ADVISOR

Man is the best creature of the world created by Allah Almighty, the particular distinction of human being is that this has been bestowed with a human mind. Human brain requires socialization that depends on our ability to understand and rationalize environment around us; and primary sources of our understanding comes from family and friends. Further socialization is achieved when humans interact with society at different levels; schools, colleges and universities.

Universities play the pivotal role in this socialization process, for this, it is the final stage in the education life of any student and universities ideally should send the best and finished products to the societies so that they could face real world challenges successfully and make useful contribution to whole society. For that to be realized, universities should impart skills that encompass economic, social mental, physical and moral sphere of activities. Therefore, for achieving the aforesaid objectives there are libraries, media labs, studios, and classrooms.

In this connection, Office of the Students' Adviser plays paramount role to arrange co-curricular activities which include events but not limited to likewise Cultural Week, Spring Gala, Spectra, Aesthetes/Arts Events & Exhibitions, Social Events, IT Based Events, Technical Events, Literary Events, Dawah&Tarbeeha Events, Seminars, Conferences, Workshops, Career Counseling, Physical Development Activities, Recreational Tours, Study Tours etc. IIUI is one of the most prominent universities which cater to the students need for co-curricular activities through its Students Adviser office. Students Adviser Office facilitates students in this regard and it also advises the students on different matters. Students Adviser primary focus is to create a positive learning environment that fosters successful learning and personal development, both inside and outside of the traditional classroom. The first priority of Student Adviser Office is students' development as successful, intellectually curious learners, and as healthy, competent, active participation in the progress of the Country. The office provides, in collaboration with other stakeholders of the campus community educational opportunities, resources, and support to help each individual student to achieve his or her cognitive goals. In turn they work to create a learning environment that eliminates barriers standing in the way of students' learning, development, and success.

Dr. Asad Ghafran
Student's Advisor (Male)

Dr. Rukhsana Tariq
Student's Advisor (Female)

IIUI STUDENT HAND BOOK 2025-2026

Educating Minds, Strengthening Values

ADMISSION PROCESS

ELIGIBILITY CRITERIA FOR ACADEMICS PROGRAMS

Applications are accepted for those programs which are advertised for admissions in a respective semester.

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF ARABIC		
Department of Arabic Linguistic & Literature		
PhD Arabic (Literature & Linguistics) 3 years	Male & Female	1- MS/M.Phil from IIUI, 2- M.A. (Arabic) IIU (18 years), 3- M. Phil from other Universities in Pakistan, 4- M.A. (Arabic) with thesis from recognized Arab Universities with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system. (For Sr. No. 3 & 4 the Faculty shall offer preparatory courses).
MS Arabic (Literature & Linguistics) 2 years	Male & Female	1-B.A. (Hons)/BS-(4 years) Arabic from IIU, 2-M.A. (Arabic) from IIU (2 years), 3-M.A (Arabic) from other Universities with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. 4. Shahadah-tul-Almiyah from recognized Wafaqs' Board with 60% marks along with Equivalence Certificate from HEC. However, S. No.3&4 will have to study two semesters preparatory courses to enhance their skill to understand regular subjects of the program.
BS in Arabic 4 years	Male & Female	HSSC or equivalent with minimum 50 % marks. OR Deeni Sand Khalsa & Aama (Equivalence Certificate from IBCC in 3 years time from the date of enrollment). <i>Students who lack the requisite linguistic proficiency in either Arabic or English shall be admitted in the respective ALT or ELT Units for preparatory courses in these languages. Admission of such students in regular program shall, however, be considered provisional until they acquire the requisite linguistic skill to understand regular subjects.</i>
Department of Translation & Interpretation		
MS Translation Studies 2 years	Male & Female	a) BS. Translation & Interpretation/equivalent degree (16 years education) with minimum CGPA 2.50/4.00 in semester system or 60% marks in the annual system. OR b) BS Arabic, Islamic Studies/LLB Shariah & Law/equivalent degree (16 years education) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system, with Proficiency in Arabic and English. OR c) M.A/MSC /equivalent degree (16 years education) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system with proficiency in Arabic and English. <i>Note: Candidates with qualifications No. (b & c) will have to study preparatory/deficiency courses prescribed by the Department to enhance their knowledge about the field.</i>
BS in Translation & Interpretation 4 years	Male & Female	HSSC or equivalent with 50 % marks OR Deeni Sand Khalsa & Aama, along with Equivalence Certificate form IBCC. <i>Students who lack the requisite linguistic proficiency in either Arabic or English shall be admitted in the respective ALT or ELT Units for preparatory courses in these languages. Admission of such students in regular program shall, however be considered provisional until they acquire the requisite linguistic skill to understand regular subjects.</i>

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF COMPUTING & INFORMATION TECHNOLOGY		
Department of Computer Science & Software Engineering		
PhD in Computer Science 3 years	Male & Female	MS/M.Phil (CS/SE/IT) or equivalent disciplines 2 years degree program (minimum 30 credit hours) with research thesis securing minimum 3.0/4.0 CGPA in semester system or with 65% marks in annual system. The equivalent degree holders have to complete pre-requisite determined by department.
PhD in Software Engineering 3 years	Male & Female	MS/M.Phil (Software Engineering) or equivalent with research thesis securing minimum CGPA 3.00/4.00 or with 65% marks in annual system. The equivalent degree holders have to complete pre-requisite determined by department.
MS in Computer Science 2 years	Male & Female	BS 4 years in CS/SE/IT/CE degree program or equivalent having completed minimum 130 credit hours, OR MCS / M.Sc (CS), or equivalent with minimum CGPA 2.50/4.00 or 60% marks in annual system. OR BCS (Hons) / BCS 3-years with minimum CGPA 2.50/4.00 or 60% marks in annual system. However, the student will be required to spend two additional semesters to study the deficient courses determined by the department.
MS in Software Engineering 2 years	Male & Female	BS (CS/SE/IT) 4 years degree program min 130 credit hours, or MCS/M. Sc. (CS), or equivalent with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. OR BCS (Hons.) or BCS 3-years degree program with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. Student will be required to complete the deficiency of difference of earned credit hours and total of 130 credit hours. OR BS/BE (Computer/Electronics/Communication) engineering degree or M.Sc. (Electronics / Communication) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. Student will be required to complete the deficiency courses.
MS in Data Science 2 years	Male & Female	16 Years Graduate Degree in (BS) CS/SE/IT/CE or MCS / M.Sc (CS) or BCS (Hons) / BCS 3-years (However, the student will be required to spend two additional semesters to study the deficient courses determined by the department.) or equivalent with CGPA 2.50/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.
BS in Computer Science 4 years	Male & Female	HSSC (F.Sc. Pre-Engineering/Pre-Medical*)/ICS/A-Level with Mathematics or equivalent with 50% marks, along with either (Physics, Statistics, Computer Science).
BS in Software Engineering 4 years	Male & Female	HSSC (F.Sc. Pre-Engineering/Pre-Medical*)/ICS/A-Level with Mathematics or equivalent with 50% marks, along with either (Physics, Statistics, Computer Science).
BS in Information Technology 4 years	Male & Female	HSSC (F.Sc. Pre-Engineering/Pre-Medical*)/ICS/A-Level with Mathematics or equivalent with 50% marks, along with either (Physics, Statistics, Computer Science).
Note: *All Pre-Medical candidates must pass deficiency courses of Mathematics of 6 credit hours within one year of their regular studies.		
Department of Bioinformatics		
MS Bioinformatics	Female	BS-(4 years) with (Bioinformatics / Biochemistry) or equivalent with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.
BS in Bioinformatics 4 years	Female	HSSC (Pre-Medical) or equivalent with minimum 50% marks.

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF EDUCATION		
Department of Educational Leadership & Management		
	Male & Female	MS / M.Phil (Education) with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system. <i>(Preference will be given to the candidates who have teaching / administrative experience in the field of education & have research publications on their credit).</i>
MS Education (Educational Leadership & Management) 2 years	Male & Female	MA/M.Ed /BS-4 years (Education) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. <i>(Preference will be given to the candidates who have done their thesis at Masters level (i.e.MA/M.Ed)).</i>
BS in Education (Educational Leadership & Management) 4 years	Male & Female	HSSC or equivalent with 50% marks
B.Ed 1.5 years (Educational Leadership & Management)	Male & Female	MA/M.Ed/BS (Education) / B.Ed 4 years with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.
Department of Teacher Education		
PhD Teacher Education 3 years	Male & Female	MS / M.Phil (Education) with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system. <i>(Preference will be given to the candidates who have teaching / administrative experience in the field of education & have research publications on their credit).</i>
MS Teacher Education 2 years	Male & Female	MA/M.Ed /BS-4 years (Education) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. <i>(Preference will be given to the candidates who have done their thesis at Masters level (i.e.MA/M.Ed)).</i>
BS in Education (English Language Teaching) 4 years	Male & Female	HSSC or equivalent with 50% marks
BS in Education with Information Technology 4 years	Male & Female	HSSC or equivalent with 50% marks
B.Ed (Hons) Elementary 4 years	Male & Female	HSSC with minimum 50% marks.
B.Ed (Hons) (Secondary Education) 4 years	Male & Female	HSSC with minimum 50% marks.
B.Ed (Elementary) 2.5 years	Male & Female	BA/B.Sc or equivalent with minimum CGPA 2.00/4.00 in semester system or 50% marks in annual system.
B.Ed 1.5 years (Information Technology)	Male & Female	MA/M.Ed/BS (Education) / B.Ed 4 years with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF ENGINEERING & TECHNOLOGY		
Department of Electrical & Computer Engineering		
PhD Electrical Engineering 3 Years	Male & Female	MS Electronics (18 years education) in the relevant area of Engineering with minimum CGPA of 3.00/4.00 in semester system or 70% marks in annual system.
PhD Biomedical Engineering 3 years	Male & Female	MS/MPhil or equivalent degrees in Engineering (Electrical / Electronics / Computer / Telecom or any other related field) OR in Basic/Applied Sciences (Electronics, Physics, Computer Science or any other related field) with minimum CGPA 3.00/4.00 in semester system or 70% marks in annual system.
MS Electrical Engineering 2 Years	Male & Female	BE/BS Engineering (Electrical / Electronics / Avionics / Computer System / Telecom / Systems / Process / Power / Mechatronics) with minimum CGPA 2.5/4.00 in semester system or 60% marks in annual system.
MS Biomedical Engineering 2 years	Male & Female	BE/BS or equivalent degrees in Engineering (Electrical / Electronics / Computer / Telecom or any other related field) OR in Basic/Applied Sciences (Electronics, Physics, Computer Science or any other related field) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.
BS in Electrical Engineering 4 years	Male & Female	HSSC (Pre-Engineering / Math. / Physics / Chemistry) or equivalent with minimum 60% marks and SSC (Science) or equivalent with minimum 60% marks.
BS in Computer Engineering 4 Years	Male	HSSC (Pre-Engineering) (Mathematics, Physics & Chemistry)/ICS or equivalent with minimum 60% marks and SSC (Science) or equivalent with minimum 60% marks.
B.E. Teach (Electrical) 4 Years	Male	DAE in relevant filed or F.Sc (Pre-Engineering) with Maths / Physics / Chemistry / Computer or equivalent with minimum 50% marks.
B.E. Teach (Computer) 4 Years	Male & Female	DAE in relevant filed or F.Sc (Pre-Engineering) with Maths / Physics / Chemistry / Computer or equivalent with minimum 50% marks.
B.E. Tech (Artificial Intelligence) 4 Years	Male & Female	F.Sc (Pre-Engineering/Pre-Medical*) or equivalent qualification A-Level / ICS (Maths / Physics / Computer), DAE/B.Sc (Excluding Sports and Hifz-e-Quran) with minimum 50% marks. *As per NTC Policy these candidates will study additional HSSC level zero credit mathematics course in the first semester.
B.E. Tech (Cyber Security) 4 Years	Male & Female	DAE in relevant filed or F.Sc (Pre-Engineering) with Maths / Physics / Chemistry / Computer or equivalent with minimum 50% marks.
Department of Mechanical Engineering		
PhD Mechanical Engineering 3 Years	Male	MS (18 years education) in the relevant area of Engineering with minimum CGPA 3.00/4.00 in semester system or equivalent with minimum 70% marks in annual system. PEC registration is mandatory.
PhD Engineering Management 3 Years	Male	MS (18 years education) in Engineering/ Engineering Management or equivalent with minimum CGPA 3.00/4.00 in semester system with minimum 70% marks in annual system. PEC registration is mandatory.
PhD Energy Systems Engineering 3 Years	Male	MS (18 years education) in the relevant area of Engineering or in basic/applied sciences with minimum CGPA 3.00/4.00 in semester system with minimum 65% marks in annual system. Statement of purpose (to ascertain the preparedness & interest of the candidate). University Admission Test 70% marks.

MS Engineering Management 2 years	Male	BS/BE (16 years education) in Engineering or equivalent degree duly recognized by HEC with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. PEC registration is mandatory.
MS Mechanical Engineering 2 Years	Male	BS/BE (4 years) in (Mechanical / Mechatronics / Industrial / Manufacturing / Aerospace / Aeronautical / Energy / Metallurgy / Material) Engineering with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. PEC registration is mandatory.
MS Energy Systems Engineering 2 Years	Male	BS/BE Engineering in (Electrical / Electronic / Mechanical / Civil / Mechatronics or any other relevant discipline) or 16 years education in basic/applied sciences with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. University Admission Test (Passing Marks: 65)
BS Mechanical Engineering 4 Years	Male	HSSC (Pre-Engineering) (Mathematics / Physics / Chemistry) or equivalent with minimum 60% marks and SSC (Science) or equivalent with minimum 60% marks.
B. E. Teach (Mechanical) 4 Years	Male	DAE in relevant field or F.Sc (Pre-Engineering) with Maths / Physics / Chemistry / Computer or equivalent with minimum 50% marks.
Department of Civil Engineering		
PhD Civil Engineering 3 Years	Male	MS (18 years education) in the relevant area of Engineering with minimum CGPA 3.00/4.00 in semester system or equivalent with minimum 70% marks in annual system. PEC registration is mandatory.
MS Civil Engineering 2 Years	Male	BSc /BS/BE (16 years) in Civil Engineering or equivalent with minimum CGPA 2.50/4.00 in semester system or 70% marks in annual system. PEC registration is mandatory.
BS Civil Engineering 4 Years	Male	HSSC (Pre-Engineering) (Mathematics / Physics / Chemistry) or equivalent with minimum 60% marks and SSC (Science) or equivalent with minimum 60% marks.
B. E. Teach (Civil) 4 years	Male	DAE in relevant field or F.Sc (Pre-Engineering) with Maths / Physics / Chemistry / Computer or equivalent with minimum 50% marks.

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF LANGUAGES & LITERATURE		
Department of English		
PhD English 3 years	Male & Female	MS (English) with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.
MS English 2 years	Male & Female	MA/BS-(4 years) (English) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.
BS in English 4 years	Male & Female	HSSC or equivalent with 50% marks.
Department of Persian		
MS Persian (Language & Literature) 2 years	Male & Female	MA/BS (4 years) (Persian) with minimum CGPA 2.00/4.00 in semester system or 60% marks in annual system.
BS in Persian 4 years	Male & Female	HSSC or equivalent with 50% marks.
Department of Urdu		
PhD Urdu 3 years	Male & Female	MS/M.Phil (Urdu) with thesis minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.

BS in Project Management 4 Years	Male & Female	HSSC or equivalent with minimum 50% marks.
BS in Business Analytics 4 Years	Male & Female	HSSC or equivalent with minimum 50% marks.
Note: All programs (MBA & BBA) of Faculty of Management Sciences are NBAEC Accredited.		

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF SCIENCES		
Department of Biological Sciences		
PhD Biotechnology 3 years	Male & Female	MS / M. Phil (02) years in (Biotechnology / Molecular Biology/ Biochemistry / Molecular Genetics / Biological Sciences / Medical Sciences / Agricultural Sciences) or equivalent (minimum 30 credit hours) with Research thesis securing minimum CGPA 3.00/4.00 in semester system or 65% marks in Annual System.
MS Biotechnology	Male & Female	BS (4 years) with (Biotechnology / Molecular Biology / Biochemistry / Molecular Genetics / Biological Sciences) or equivalent with minimum CGPA 2.50/4.00 in semester system or 60% marks in Annual System.
BS in Biotechnology 4 years	Male & Female	HSSC (Pre-Medical) or equivalent with minimum 50% marks.
BS in Biology 4 years	Male & Female	HSSC (Pre-Medical) or equivalent with minimum 50% marks.
BS in Biochemistry 4 years	Male & Female	HSSC (Pre-Medical) or equivalent with minimum 50% marks.
BS in Microbiology 4 years	Male & Female	HSSC (Pre-Medical) or equivalent with minimum 50% marks.
BS in Food Science and Technology 4 years	Male & Female	HSSC (Pre-Medical) or equivalent with minimum 50% marks.
Department of Environmental Sciences		
PhD Environmental Science 3 years	Male & Female	MS / M.Phil in Environmental Science (02) years degree program and all allied disciplines (minimum 30 credit hours) with research thesis securing minimum 3.00/4.00 CGPA in semester system or 65% marks in annual system
MS Environmental Science 2 years	Male & Female	MS / M. Phil in Environmental Science (02) Years degree program or relevant disciplines with research thesis and minimum 3.00/4.00 CGPA or 65% marks in annual system. The successful candidates applying from relevant disciplines like Agricultural Sciences, Biological Sciences, Botany/ Zoology, Chemistry, Forestry, Soil Sciences, Wildlife and Earth Sciences (Geography, Geology, GIS, Geophysics, and Metrology etc.) will have to pass prerequisite courses of MS Environmental Science (Non-Credit).
BS in Environmental Science 4 years	Male & Female	HSSC (Pre-Medical/Pre-Engineering)/ or equivalent qualifications after 12 years of schooling with Pre-Medical or Pre-Engineering subjects studied in English medium with minimum 50% marks. OR Any other international qualification declared equivalent with HSSC Pre-Medical & Pre-Engineering by IBCC. DAE & ICS candidates are not eligible.
BS in Environmental Sustainability and Climate Change 4 years	Male & Female	HSSC or equivalent with minimum 50% marks.
Department of Mathematics & Statistics		
PhD Mathematics 3 Years	Male & Female	MS / M.Phil in Mathematics with minimum 3.00/4.00 CGPA in semester system or 65% marks in annual system.
PhD Statistics 3 years	Male & Female	MS / M.Phil in Statistics with minimum 3.00/4.00 CGPA or 65% marks in annual system.
MS Mathematics 2 years	Male & Female	M.Sc/BS (4 years) (Mathematics or Physics) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.
MS Statistics 2 years	Male & Female	M.Sc/BS (4 years) (Statistics) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.
BS in Mathematics (Lateral Entry) 2 years	Male & Female	BSc (Mathematics) or equivalent with minimum 50% marks.

BS in Statistics (Lateral Entry) 2 years	Male & Female	BSc (Statistics) or equivalent with minimum 50% marks.
BS in Mathematics 4 years	Male & Female	HSSC (Mathematics as major subject) or equivalent with minimum 50% marks.
BS in Statistics 4 years	Male & Female	HSSC (FA/FSc/I.Com) or equivalent with minimum 50% marks.
Department of Physics		
PhD Physics 3 years	Male & Female	MS / M.Phil (Physics or equivalent) with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.
MS Physics 2 years	Male & Female	M.Sc/BS (Physics or equivalent) with CGPA 2.50/4.00 in semester system or 60% marks in annual system.
BS in Physics (Lateral Entry) 4 years	Male & Female	BSc (Physics) with minimum 50% marks.
BS in Physics 4 years	Male & Female	HSSC or equivalent (Physics) with minimum 50% marks.
SA–Centre for Interdisciplinary Research in Basic Sciences		
PhD in Biosciences 3 years	Male & Female	MS/M.Phil (18 years) in Biology, Botany, Zoology, Biotechnology, Agricultural Sciences, Microbiology, Genetics, Biochemistry, Bioinformatics or any relevant subject with minimum 3.00/4.00 CGPA in semester system or 65% marks in annual system.
PhD in Chemistry 3 years	Male & Female	MS/M.Phil (18 years) in Chemistry, Biochemistry, Pharmaceutical/ Medical Science and Nanotechnology or any relevant subject with minimum 3.00/4.00 CGPA in semester system or 65% marks in annual system.
PhD in Environmental Sciences 3 years	Male & Female	MS/M.Phil (18 years) in Environmental Sciences, Plant/Animal Sciences, Environmental Biology and Biotechnology or any relevant subject with minimum 3.00/4.00 CGPA in semester system or 65% marks in annual system.
PhD Nanoscience and Engineering 3 Years	Male & Female	18 years of education in basic/applied sciences (Nanoscience and engineering, Physics, Chemistry, Biology, Biochemistry, Biotechnology etc.) and MS Engineering (Electrical/Electronic/Mechanical/Materials/Mechatronics) or any other relevant discipline) with minimum CGPA of 3.0/4.00 or 70 % in semester system, or 60% Marks in annual system.

Academic Program	Offered For	Admission Requirements / Eligibility Criteria
FACULTY OF SOCIAL SCIENCES		
Department of History & Pakistan Studies		
PhD History 3 years	Male & Female	MS in Social Sciences subjects (History, Pakistan Studies, Political Science, International Relations, Sociology, Geography & Archaeology) or related subject with minimum CGPA with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.
PhD Pakistan Studies 3 years	Male & Female	MS in Social Sciences subjects (Pakistan Studies, History & Political Science and Defense & Strategic Studies) or related subject with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.

 - Three copies of duly filled government of Pakistani Permission form (Students' Information Sheet) available at IIUI website.
 - Undertaking for Admission on Paper Qualification (available at IIUI website: www.iiu.edu.pk).
2. Admission shall be granted to all foreigners / Overseas Pakistani candidates on the basis of paper qualification in all faculties except Faculty of Engineering & Technology (FET) after fulfillment of the following requirements:
 - Verified Educational documents (all degree / certificates)
 - Valid Passport & Valid Study Visa.
 - No Objection Certificate (NOC) from their Ministry of Foreign Affairs or their Embassy in Pakistan.
 - In case of Overseas Pakistani, Residential Permit (Iqama), Overseas ID Card or B-form.
 3. After confirmation of admission, the case(s) of the foreigner candidates(s) shall be forwarded to Higher Education Commission (HEC) Islamabad along with their passport copy, photographs, admission letter, NOC from their Embassy or Ministry of Foreign Affairs and Student's Information Sheet for Issuance of No Objection Certificate (NOC).
 4. The applicant should immediately apply for study visa to Pakistan Embassy/Mission in their home country. They may not travel to Pakistan without obtaining valid study visa, as no student is allowed to join the University without proper study visa.
 5. Foreign Diplomats and Multiple visa holders present in Pakistan: In case a foreign Diplomat or Multiple Visa holder present in Pakistan gets admission in IIUI, shall be required to obtain No Objection Certificate (NOC) from Ministry of Foreign Affairs, Govt. of Pakistan for study purpose before joining.
 6. After joining, all the foreign/Overseas Pakistani students shall be referred to relevant language proficiency test to be conducted by Arabic Language Teaching Unit and English Language Teaching Unit. The student shall be placed in the language class for Language improvement (if required). No student shall be allowed to register the regular courses of semester before passing the language level test.
 7. Admission to Afghan National (Refugees) candidates shall be granted only on the basis of Test/Interviews.
 8. All foreigners/Overseas Pakistani students shall bound to obtain proper equivalence of their foreign educational certificates/degree from Inter-board Committee of Chairmen (IBCC) Islamabad and Higher Education Commission (HEC) Islamabad with the required percentage of marks/CGPA, and submit to Overseas Admissions Office within six months after joining the University. In case of failure they will not be allowed to continue their study without the required equivalence until they obtain it.
 9. After confirmation of their admissions / joining, the Provost concerned shall ensure the hostel seats before or at the time of joining so that the candidates directly move to their hostel's room easily.
 10. Admission to Foreigners/Overseas Pakistani is offered in one degree program and it is not allowed to switch-over to any other degree program after joining the University.
 11. Admission cases of male and female candidates shall be dealt by Admission Office Male and Admission Office female separately.

Complete form to be sent to following addresses:-

MALE OVERSEAS APPLICANTS:

Overseas Admission Office, Room No. 129, 1st Floor, Admin Block,
International Islamic University Sector H-10, Islamabad – Pakistan.
Email: overseas.admissions@iiu.edu.pk
Ph: +92-51-9258007, 9019565; Fax: +92-51-9257915.

FEMALE OVERSEAS APPLICANTS:

Overseas Admission Office, Room No.S-03, Ground Floor, Admin Block,
International Islamic University Sector H-10, Islamabad – Pakistan.
Email: overseas.admissions@iiu.edu.pk
Ph: +92-51-9019288; Fax: +92-51-9257929.

GRANT OF ADMISSION AND VISA FORMALITIES:

1. IIUI issues admission offer letter to successful candidate and copy of the same is sent to the Higher Education Commission (HEC), Pakistan along with Student Information Sheet, copy of candidate's Passport, NOC of their Ministry of Foreign Affairs or Embassy. HEC coordinates all approvals/verification for the student's visa requirement.
2. After completion of requirements, Ministry of Interior Govt. of Pakistan sends visa advice to Pakistani Embassy/High Commission of the country of student's origin for issuance of study visa to the applicant.
3. Student(s) approaches Pakistani Embassy/High Commission at his country of origin for grant of study visa along with following documents:
 - Visa Application Form (available at the Ministry of Interior Website)
 - Photocopy of Passport
 - Photographs
 - Educational Documents
 - Copy of Admission letter of the University
4. Student visa is issued by Pakistani Embassy/High Commission after fulfillment of all requirements for period of one year to be renewed / extended annually on the basis of security clearance.

Extension in visa is granted by the Ministry of Interior, Govt. of Pakistan on production of following documents:

- Visa Extension form.
 - Bona-fide Student Certificate to be issued by IIUI in due course.
 - NOC of Higher Education Commission (HEC) and NOC from their Embassy.
 - Photographs.
5. The student directly approaches to the concerned authorized passport office of the region along with above listed documents for extension in visa.
 6. Intimation regarding any student leaving IIUI or not remaining a full-time student of IIUI is immediately reported to HEC for onward submission to Ministry of Interior, Govt. of Pakistan for necessary action.

NOTE: Rules and regulations are subject to revision from time to time as and when required by the university authority.

GENERAL ACADEMIC RULES

PAYMENT OF FEE:

Candidates are required to pay the prescribed fee for the program, before the due date. Last date may be seen on admission letters or as announced by the Faculty. Partial payments are not accepted. Candidates failing to deposit full fee by the due date shall lose their seats, which will be offered to the next candidates on the merit list.

NUMBER OF SEATS:

Admission Committees of the Faculties determine the number of candidates to be offered admission on the basis of available seats and the minimum acceptable score. List of Selected Candidates is displayed on the university website and faculty notice board. Results should not be enquired on telephone.

ACADEMIC SYSTEM:

Academic system of the University is based on semester system. Two regular semesters are offered every year i.e. Fall Semester (September-January), Spring Semester (February-June). Each semester essentially maintains 48 teaching hours for a course of 3 credit hours. A student generally registers in courses offered by each Faculty in every semester as per scheme of study.

ATTENDANCE REQUIREMENT:

All students shall be required to maintain an attendance of at least 75% in each course taken in a semester. There shall be no relaxation on any ground (including medical and other emergencies) to the minimum required attendance. A student not attaining at least 75% attendance in any of the course(s) shall be prevented from appearing in the terminal examination and shall be treated fail in the course(s) and all the grades/marks obtained in that course(s) during the semester shall stand cancelled.

ACADEMIC STRUCTURE FOR BS PROGRAM:

In all the Faculties total Credit hours are 132-136 for BS program out of which 60% Weight-age is given to the major subjects of the degree and 40% weight-age is given to the general subjects (for example students of Islamic Studies will study 40% of the credit hours from Social Sciences, Humanities and Natural Sciences and 60% of the credit hours from Major subjects) and likewise in other subjects. Minimum duration of BS program is 4 years i.e., 8 regular semesters within CGPA range of 2.00/4.00 and passing of Hifz Test.

MEDIUM OF INSTRUCTIONS:

Arabic and English are the medium of instructions in the University. Arabic is the primary medium of instruction in the Faculties of Usuluddin (Islamic Studies), Arabic and Shariah & Law. Ability to read, write and comprehend English is also required. Whereas in all other faculties (Except Urdu and Persian Departments), English is the medium of instruction. Applicants for admission at IIU are required to pass Language Proficiency Test to qualify for admissions. The University runs a program for improvement in Arabic and English Proficiency in ALT and ELT Units for students.

Students applying for Faculty of Usuluddin (Islamic Studies) and Faculty of Shariah & Law will appear in Level test for Arabic and English, after determination of Level, admission will be given provisionally in Language program first. Regular Program will only be allowed to start after qualifying language level test.

EXAMINATIONS & EVALUATION SYSTEM:

Besides, quizzes, presentations and class participation the students are assessed on the basis of marks obtained in mid-term exams which are held after about 8 weeks of study in a semester and terminal exams which are held after 16 weeks of study.

GRADING SCHEME:

The Letter Grades and Grade Points for a course are determined on the basis of the marks obtained by the student in the final examination and the semester work in the following manner (w.e.f. Fall Semester, 2010). Only for newly admitted students.

Marks	Grade	Points
80 & above	A	4.00
75-79.99%	B+	3.50
70-74.99%	B	3.00
65-69.99%	C+	2.50
60-64.99%	C	2.00
55-59.99%	D+	1.50
50-54.99%	D	1.00
Below 50%	F	0.00

Grading system is subject to amendment.

MINIMUM PASS MARKS

BS	60%
MBA & Other Undergraduate Programs	60%
MS/LLM	65%
PhD	70%

REGULATIONS FOR PROBATION

Students not securing required GPA/CGPA in the terminal examinations are put on probation as per following regulations:-

Degree Programs / Category of Students	Provisions of Probation			
	Passing Marks	Probation Range	No. of Semesters allowed to clear Probation	CGPA for Award of Degree
1	2	3	4	5
Undergraduate Program (BS, BBA & LLB etc.)	50%	1.00 – 2.00	3 Semesters (POP, PC -1, PC-2 Ceased)	2.00
Post-Graduate Program (Masters) (MBA)	60%	1.00 – 2.50	2 Semesters (POP, PC -1, PC-2 Ceased)	2.50
MS / LLM Programs	65%	1.70 – 2.70	2 Semesters (POP, PC -1, PC-2 Ceased)	2.70
PhD Programs	70%	2.00 – 3.00	2 Semesters (POP, PC -1, PC-2 Ceased)	3.00

The students who fail to acquire minimum CGPA after lapse of all available chances, become ceased to be student and no longer stand on roll of the University. In case a student secures less than minimum required CGPA in the first semester, he / she is declared ceased immediately and no further chance is given to continue studies.

DURATION OF DEGREE PROGRAM:

The following is the minimum and maximum degree duration:

Degree Program	DURATION	
	Minimum	Maximum
Undergraduate Program (BS/BBA/B.E Tech)	4 years	6 years
LLB (Hons) Shariah & Law	5 years	6 years
BS (2 Years) / MBA	2 years	4 years
MS / LLM	2 years	3 years
PhD	3 years	5 years

POLICY FOR REFUND OF FEE

The refund amount of Tuition Fee is subject to the following schedule:

Timeline	Percentage of Fee
Upto 10 th day of commencement of classes	100% fee refund
Upto 15 th day of commencement of classes	80% fee refund
Upto 20 th day of commencement of classes	60% fee refund
Upto 30 th day of commencement of classes	50 % fee refund
31 st day onwards of commencement of classes	No Refund

Note: The timelines for refund of tuition fee are inclusive of the weekends.

POLICY FOR HYBRID TEACHING AND LEARNING

The Policy on the subject matter is as recommended by the Academic council is as under:-

- The policy shall be named as IIUI policy for hybrid teaching and learning
- The university on special cases may give an option of online mode of study at

BS level with following conditions:

- LMS/Google class room along with necessary protocols as applied during COVID-19 era shall be followed.
- The policy shall be applied on those students who requires maximum 02 semesters to complete their degree.
- Request of the student shall be evaluated by a committee comprising of Dean of the faculty, HOD and a senior faculty member of the department. The committee shall recommend the case (s) on following grounds:-
 - Such overseas students who are unable to attend face to face mode of study owing to visa restrictions.
 - The tenure of the student or his family at the embassy/high commission has expired and no further extension permissible.
 - In land students who stuck in their home town owing to the reason beyond their control such as law and order situation, natural calamity, medical reasons etc.
- The request of such students duly recommended by the committee shall be submitted to the Vice President (Academics) through the office of Director (A&E) for approval.
- The committee consisting of Dean, HOD and a senior faculty member shall ensure quality of teaching and learning through hybrid mode of study.
- The transcript of such students shall indicate the mode of hybrid teaching and learning for these particular semesters.
- Double course fee shall be charged from the student.
- The teacher shall be compensated through additional payment of 100% course fee to be received from the student with no liability on the part of the university.
- New section shall be created in case of more than 10 students registered in this mode of study in a particular course.
- The President IIUI shall be authority to relax double payment of fee in case of needy students.
- Attendance requirement shall be as per rules of the university.

- l. Such students would have to complete the courses within Degree duration prescribed by the university and HEC.
- m. The assigned faculty member shall ensure to resolve the queries of the students in respect of assignments, quizzes & lecture material etc.

STUDENTS DISCIPLINE COMMITTEE (SDC)

The Students Discipline Committee (SDC) is a statutory committee comprised of senior Faculty Members not below the rank of Professor and Associate Professor to deal with the matters of indiscipline, breach of university's code of conduct and all such acts derogatory to Islamic moral values, within the University. The Director (Academics & Examinations), IIU is the Secretary and In-Charge Female Campus is the ex-officio Member of the Committee. The Committee by taking actions as per notified Regulations; ensures a conducive and peaceful environment by investigating and addressing cases of misconduct, while providing fair hearing/right of defense to all involved. Students have the right to appeal to the President, IIU against the decision of SDC. The decision of the President, IIU on such appeals is considered as final.

UNFAIR MEANS CONTROL COMMITTEE

An Unfair means control committee exists (UMCC) which is constituted with the approval of the President, on recommendation of the VP (Academics). The members of the committee consist of Four faculty member, Director (Academics and Examination) and officials of Academics & Exams.

Responsibilities of Unfair Means Control Committee:

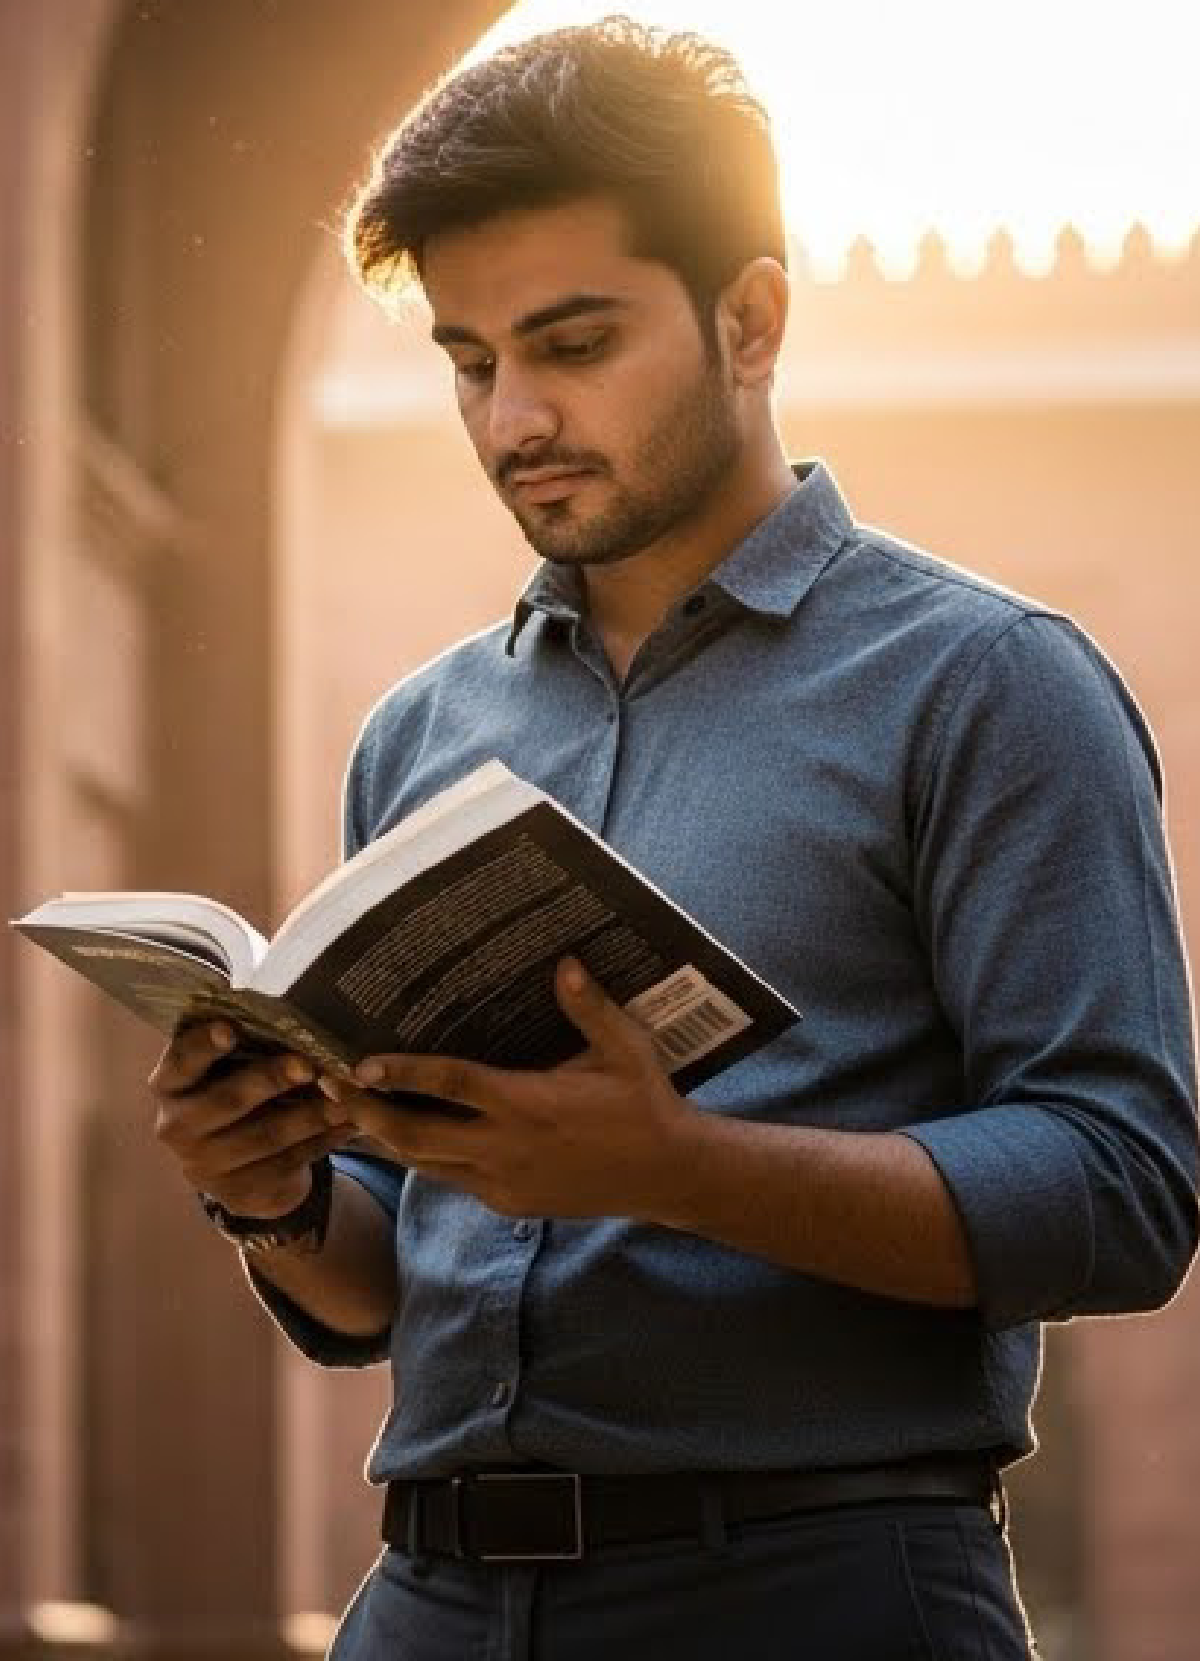

1. Deal with all the cases reported by the faculties (with supporting documentary evidence) under the misconduct or use of unfair means during the examination.
2. Propose regulations relating to the control of use of unfair means and maintenance of discipline during examination.
3. Decide and recommend penalties as prescribed under the rules and regulations.
4. Call the reporting official to appear before the UMCC as and when required.
5. Appearance before the UMCC is mandatory failure to appear twice shall lead to ex-parte decision.

Following is the list of "unfair means" against which penalties (approved by the competent authority) are imposed:

1. Copying Cases (possession of copying material, copying from fellow student, plagiarism)
2. Cell Phone /Digital Diaries
3. Identity not proved
4. Misconduct
5. Stealing /tearing up/ destroying of Answer sheets
6. Any other

STUDENTS GRIEVANCES COMMITTEE

1. A five-member committee shall be constituted at departmental level with the approval of Vice President (Academics); comprising 02-senior faculty members, relevant Chairperson/In-charge of the department or the dean, to address the grievances of the students. 2. A student shall submit the grievance application (if any) in writing to the Chairperson of the Department. The Chairperson of the Department shall forward the application to the Committee. It will be mandatory for the Committee to hear both sides. The decision/recommendation of the Committee will be approved by the Vice President (Academics) and the final decision will be binding on all the parties.

RE-ADMISSION

- i. Students who will be declared as "PC-2 Ceased" after availing maximum probation chances/ two semesters shall be eligible to apply for Re-admission. Re-admission shall be granted only in the subsequent regular semester after being declared as PC-2 ceased, on recommendation of the Chairperson/Incharge of the relevant department.
- ii. The re-admitted student shall be allotted a new registration number from the semester/date of re-admission.
- iii. On readmission, the student will pay the prescribed admission fee for the program and the fee tariff/rate will be applicable to the student(s) of the semester in which he / she has been readmitted.
- iv. The scheme of studies will be implemented to readmitted students as applicable for the batch he/she has been readmitted. No special classes / courses will be arranged for such cases other than planned classes for repeat courses.
- v. The degree duration of the re-admitted student shall start from the date of his/her readmission.
- vi. Re-admission shall not be allowed more than once in a degree program.
- vii. If a student shall be declared ceased in first semester, he/she will not be eligible for readmission. The student shall seek fresh admission through admission test process.

CLASS TIMINGS

Classes are held from 8.30 a.m. to 8.30 p.m. according to the time table of respective Faculty/Department.

COURSE EXEMPTION /TRANSFER OF CREDITS

Course exemption a) Maximum exemption granted to freshly admitted and readmitted students will be up to 60% (or as prescribed by the relevant Accreditation council) of the passed courses/credit hours. This is subject to the condition that the number of credit hours of such courses does not exceed 60% of the total number of credit hours required for the respective academic program. b) Freshly admitted students shall be entitled to exemption of only those courses passed with a minimum of "B" grade or 70% marks. c) In case of re-admission, all passed preparatory and non-credit courses may be exempted after recommendation of the concerned Chairperson and submission of requisite fee, as prescribed by Fee Section (Finance department). d) Exemption may be granted to the re-admitted undergraduate students of IIUI on the already passed courses of the same level if they passed with a minimum of "C" grade. e) Grades of exempted courses shall be transferred against the new academic record (In case of re-admission only). f) Non-credit courses which are part of scheme of study will be exempted on the basis of language level test. g) The departmental exemption committees shall thoroughly examine the contents of the courses and recommend accordingly. h) Routine course offering shall be followed and no special arrangements shall be made for any student coming from any other institution.

FREEZING OF ADMISSION/SEMESTER

Deferment of admission:

- a. Freezing of the first semester for undergraduate degree programs shall not be allowed except following special hardship circumstances:
 - i. Iddat
 - ii. Maternity/Delivery
 - iii. Death of an immediate family member
 - iv. Unavoidable circumstances, subject to acceptance on justified rationale
2. In such special/hardship cases, the University may allow freezing of admission for one semester only with the prior permission of the Vice President (Academics).
3. Deferment of studies: - On successful completion of 1st semester, the student may seek deferment of studies on prescribed Performa for a maximum period of two semesters (1 year) consecutively or separately on payment of prescribed deferment fee and fulfilment of following conditions:

- i. After two weeks' time and till mid of the semester (i.e., 8th week/ before midterm), 50% of tuition fee shall be deducted and remaining 50% shall be adjusted in the subsequent semester. However, if tuition fee has not been paid till then, 50% tuition fee shall be charged before deferment if deferment is granted. However, deferment shall not be allowed if a student has appeared in the mid-term examination of a semester.
- ii. A student who neither has registered any course nor attended any class, and applies for deferment, he/she will be allowed same on payment of deferment fee only.
- iii. Except deferment, no gap in the degree shall be condoned.
- iv. After availing two deferments, if a gap of a semester is pointed out, the student will be declared "Absent Ceased" and he/she is required to apply for re-admission from that semester.
- v. In case of freezing semester on medical grounds, the student shall be bound to produce medical certificate which must be duly signed by the University Medical Officer.
- vi. Deferment period shall not be counted towards the degree duration.
- vii. Ex-post facto deferment shall be allowed with double deferment fee as per rules.

CODE OF CONDUCT

Students shall be required to abide by the prescribed Rules and Regulations of IIUI and observe the dress code and basic Islamic tenets failing which students a disciplinary action can be initiated as per disciplinary regulations of the university enforced from time to time.

NOTE: Rules and regulations are subject to revision from time to time as and when required by the university authority.

Values

FACILITIES

Computer Labs:

Students at the IIU campuses enjoy a computer friendly environment, apart from access to computer in the labs. Research centers and libraries also have proper computer facilities for students.

Language Laboratories:

IIUI maintains two separate language laboratories for Arabic and English Departments. These laboratories are well equipped with modern techniques of teaching languages to the students of the University. There are well trained teachers who skillfully use the laboratory techniques and supplement classroom teaching in listening and training skills.

Libraries:

IIUI maintains four (04) well equipped Libraries with Internet facilities and access to international data-base and digital libraries. Central Library maintains all important texts and recommended books. Besides, reading material is made available by the Photostat Service Units. In addition, there is a Book Bank on the main Campus of the university lending books to the students on semester basis. The library is continuously updated with the latest editions of relevant books. The library facility is available for students till 10:00 p.m.

Hostels:

IIUI maintains separate hostels for male and female students. However, availability of seat to newly admitted student is not guaranteed owing to availability of limited number of seats.

Medical Care:

IIUI has well equipped separate Medical Centers for male and female students with a team of qualified doctors for free outdoor treatment of minor ailments. Cases of serious nature are referred to Government Hospitals in Islamabad for hospitalization and treatment. IIU has set up a pathological laboratory to conduct various tests. The Medical Centers have three ambulances at their disposal to meet any emergency.

Banking Facility:

Branches of HBL, ABL, and Bank Alfalah have been established at the campus to provide banking facility to the students and staff.

Post Office:

A Post Office has been set up by Pakistan Postal Services at old Campus to facilitate the students and staff of the University.

Sports / Recreation & Academic Competition:

IIU encourages participation of students in co-curricular activities. It provides ample of facilities for indoor and outdoor games for boys as well girls. IIU students actively participate in Inter-University competitions and bring good name to IIU by winning medals, trophies & leading positions in these competitions. A modern Gymnasium has been built for female students at their campus. Coaching facilities have also been made available on both Campuses. Recreation trips are arranged by the faculties for male/female students especially on weekends or during vacations. Cultural week is celebrated every year. The IIU also encourages participation of students in academic competitions seminars workshops and curriculum activities.

Transport:

Transport facility will be provided, against deduction of approved charges, subject to availability.

HEC Need base Scholarship:

HEC Need base Scholarship is available for the poor and deserving Pakistani (natoinal) students (condition apply).

Ehsaas Scholarship:

Ehsaas Scholarship is available for the poor and deserving Pakistani (natoinal) students from Govt. of Pakistan (condition apply).

Worker Welfare Fund:

Worker Welfare Fund (WWF) sponsored student are entertained in IIU, Islamabad.

Pakistan Bait-ul-Mal:

Pakistan Bait-ul-Mal also facilitates deserving students to some extent as per their policy. IIU facilitate processing of applications.

IIUI ALUMNI OFFICE

INTRODUCTION

The office of Alumni was established under the Presidency of Prof. Dr. Ahmed bin Yousaf Al Darawesh, President IIUI and under the In-Charge ship of Dr. Hafiz Muhammad Anwar in 2013. Each year we at IIUI Alumni Office, aspire to renew and strengthen the extraordinary engagement between the University and our proud alumni community. By continually understanding and anticipating the interests and needs of our audience, we have enhanced our efforts and have created new, meaningful and valuable ways to engage with IIUI Alumni and connect with one another regardless of location or stage of life.

The past few years were extraordinary for the IIUI Alumni Office and one of the finest illustrations of how IIUI alumni can build and strengthen the university. Our mission is to engage our alumni and serve and support IIUI and its students.

The University has 51113 Alumni comprising of 27275 male and 23838 female till present, with around 3100 foreign Alumni, both male and female from 70 countries worldwide.

The office of Alumni has organized various Alumni engagement activities such as Alumni Dinners, workshops, Seminars and sport activities.

ACADEMIC WING

Prof. Dr. Abdul Raheman

Vice-President (Academics)

Room # 213, 1st Floor, Directorate of
Academics & Examinations, Student's Facilitation Center,
New Campus, Sector H-10 IIU, Islamabad, Pakistan
Ph: +92-51-9257918, 9019528; Fax: +92-51-9257915

Syed Naveed Ehtesham

Director (Academics & Examinations)

Room No.124, 1st Floor, Directorate of
Academics & Examinations, Student's Facilitation Center
New Campus Sector H-10, IIU, Islamabad, Pakistan
Ph: +92-51-9257918, 9019528, Fax: +92-51-9257915

Ms. Nosheen Syed

Additional Director(Academics)

SFC, Female Campus
Sector H-10, IIU, Islamabad, Pakistan
Ph: +92-51-9257985, 9019324
Fax: +92-51-9257929

ADMISSIONS

PAKISTANI SECTIONS

Ms. Rubab Fatima

Deputy Director (Admissions)

SFC, Female Campus
Sector H-10, IIU, Islamabad, Pakistan
Ph: +92-51-9257985, 9019324
Fax: +92-51-9257929

Mr. Tahir Abdul Rauf

Superintendent (Admissions)

Room # 105, SFC
Sector H-10, IIU, Islamabad, Pakistan
Ph: +92-51-9019567

OVERSEAS SECTIONS

Ms. Madiha Akram

Additional Director (Admissions), Overseas

SFC, Female Campus
Sector H-10, IIU, Islamabad, Pakistan
Ph: +92-51-9019288; Fax: +92-51-9257929

Mr. Tanveer Akhter

**Assistant Director
(Admissions), Overseas**

Room #206, 1st Floor, SFC, New Campus, Sector
H-10, IIU, Islamabad, Pakistan
Ph: +92-51-9258007, 9019618
Fax: +92-51-9257923

EXAMINATIONS

Dr. Zahid Mehmood

Deputy Director (Examinations)

Phone: +92-51-9019554

Mr. Jawad Shakir

Deputy Director (Examinations)

Phone: +92-51-9019746

Mr. Ali Raafie

Assistant Director (Examinations)

Phone: +92-51-9257997, 9019543

Mr. Ubaid Ullah

Assistant Director (Examinations)

Phone: +92-51-9019545
